URGENT INFORMATION REGARDING YOUR SUPPORT FOR ARISE AFRICA INTERNATIONAL

Dear Friends and Supporters of Arise Africa International,

We hope this letter finds you well. As we near the end of 2019 we are happy to inform you about some transitions that are happening with Arise Africa International.

Since 2009, we have partnered with Journey Church in Raleigh, NC to act as a clearing house and 501(c)(3) for all funds coming from the US. Over the years Journey Church has been a great partner with us in the gospel, and we are grateful to them for all the support they have given to us. Using Journey Church as a clearing house was never meant to be a permanent plan but was more of a stopgap as we sought a more permanent solution.

Though we are sad to see the partnership with Journey Church come to an end, we are excited to announce new partnerships and new opportunities. We are working with World Reach Partnerships and I Love Orphans to process all donations coming in from the US.

We have partnered with World Reach Partnerships since 1996 for the purposes of evangelism and church planting. Since this is their focus, they will be handling all donations designated for evangelism and church planting. This includes all donations for church construction, pastor support, outreach, projects, and support for staff salaries.

I Love Orphans has been partnering with us in our Bukaleba Children's Center since 2006. Recently, they have made the exciting decision to increase their level of involvement and partnership with us in order to improve the overall standards for our Children's Center. To this end, they will be handling all donations to the Children's Center. This includes funds for the Babies Home, Primary School, Secondary School and all children's sponsorships.

These changes are taking place effective 1st January, 2020. Therefore, if you are currently supporting us in any way, it is absolutely urgent that you get signed up with one of our new partners so that things move forward unhindered.

If your support is regarding evangelism and church planting, please set up your automatic donation at: <https://www.wrpartners.org/donate>. (Under "Designation" please make sure that you select "Arise Africa International")

If your support is regarding our Bukaleba Children's Center, please set up your automatic donation at: <https://www.iloveorphans.com/donate>.

If you would like to donate by cash or check, please contact the appropriate ministry above to find out how to do so. We are kindly requesting that you sign up with our new financial partners as soon as possible as we are quite financially strained during this transitional season.

Thank you so much for your ongoing and future support of the work that God is doing through Arise Africa International. We pray that God will bless you abundantly as we finish out 2019. Exciting things are coming in the years ahead! Thank you for loving and supporting us.

Sincerely,
Pastor Godfrey Wanamitsa
(Managing Director)
