## ARISE AFRICA INTERNATIONAL-NEWS UPDATE - JULY -DECEMBER 2019

*He who dwells in the shelter of the Most High will rest in the shadow of the Almighty. I will say of the LORD, "He is my refuge and my fortress, my God, in whom I trust." (Psalm 91:1-2)* Christmas Greetings from Arise Africa International! It's always our prayer that all goes well with you, your families and ministries and that you may prosper in every way as you grow in your Spiritual life in Christ. Thank you for your love and support over the years; may our good Lord richly bless you. Year 2019 has been quite challenging at Arise Africa International in many ways but our good LORD has continually encouraged us from His word in Psalm 46: 8-11. As we end 2019 and look at the beginning of 2020 we are encouraged by His word in Psalm 91 to find peace and rest in the Lord as we continually seek Him in prayer. We feel more confident in the Lord and His word that, *He who began the good work in us will bring it to accomplishment in Christ to the Glory of His name. We look forward to having a productive year in His Kingdom work and we request for your prayers and financial support as we seek to fulfill His will in 2020 in the ministry of Arise Africa International.*

### Arise Africa Bukaleba Children's Centre

With great delight we exalt our God who has entrusted us with a total population of Eight hundred (800) children in our center this year. Twenty two (22) are still under direct care of Babies' home, Four hundred forty one (441) in primary and nursery school, Three hundred thirty seven (337) in our secondary school and about one hundred staff (100) AAI staff. We continue to serve with the aim of providing a Christ centered education to all our children while ensuring that they attain Moral and Academic excellence. We are very grateful to the Lord that His Grace has always been sufficient to accomplish his work in us and the ministry.

### Bukaleba Babies Home:

We bring heartfelt greetings from our Bukaleba Babies' Home.

We bless the LORD for your prayers, material and financial support you have always given towards this great work. Without you we wouldn't have reached this far. May the Almighty God continue blessing you according to His riches in glory!

Arise Africa Bukaleba Babies Home is apparently providing education, food, shelter, medical care to sixty seven (67) children:

- i) Twenty two (22) children (between the age of 2 months and 9 years), this includes (8) Female and (14) Male who are at the Babies Home. Fourteen (14) of these children study at our nursery and primary school, while five (5) more children are expected to join Baby Class come 2020.
- ii) Forty five (45) children were resettled with their guardians. These mean that they stay with babies' home for 9 months and 3 months with their guardians every year. (Thirty five children go to primary school and Ten (10) children at the Secondary School).  
This year Thirty three (33) children have been asked by their guardians to spend their end of year holidays with them, while the rest stayed to spend their holiday at Bukaleba Babies' home. We pray that God watches over during these holidays.

### **New Arrivals at the Babies home**

With great joy we would like to introduce to you our new baby girl Namuganza Selina, whom we received on 5<sup>th</sup> September, 2019. Her mother passed away on 31<sup>st</sup> August, 2019 immediately after giving birth. And Selina's father was arrested around Rwanda - Zaire (Congo) border. A medical assessment made at Mayuge Health Centre 3 indicated that Namuganza Selina was a 7.5 months premature baby girl with normal limbs, normal breathing and no congenital abnormalities.

On admission Selina weighed 2 kgs and she was introduced to a comprehensive one-on-one premature management, and exclusive bottle feeding so as to cope up with growth and development. We pray that God will continue protecting her from all forms of illness as she grows to become wonderful servant of God.

One of our major responsibilities is ensuring that our children are in good health.

On the 16<sup>th</sup> of November, 2019 all our remaining children were immunized as per the program of the Ministry of Health. The campaign aimed at vaccinating children below 15 years of age against Polio, and measles rubella. About Forty five (45) Babies' Home Children were immunized by Uganda Ministry of health

With great pleasure we glorify God for Pastor Smooth Via and his family, who have always been a part of Bukaleba Children's center most especially the Babies' home. During their visits our children

enjoy structural play activities which include memorizing Bible verses, extra coaching, singing, dancing, and reciting poems and building blocks. These activities help our children to grow intellectually, spiritually, socially and physically.

Our God has continued to graciously bless the work of our hands! The home was able to engage in the growing of bananas (matooke) which are yielding a good harvest. So far, we have harvested four (4) bunches of Matooke for Home consumption. A nursery bed of egg plants has also been raised and will be transplanted to the main garden soon.

It is a great blessing that Eight (8) of these candidates are our children from Bukaleba Babies' Home. We praise God for the way he is developing our Nursery and primary school.

It is required that a church leader should be blameless according to 1Timothy 2:1-5 and Titus 2: 1-5, and one of the requirements as a church leader in AAI is to be properly married before the church.
